<p>◆</p> <p>Beth Emeth Cemetery: Turner Lane. Beth Emeth Cemetery at Corning Hill Rd and Rte 144 is in Bethlehem and is known as the "old" cemetery. </p> <p>◆</p> <p>New Cemetery : The new cemetery is on Turner Lane in Loudonville, a village in Colonie, NY. I've tried to use Bethlehem for those buried in the older cemetery and Colonie for those in the newer. The information I reported came from the Beth Emeth Temple Office and represents data input on 3X5 cards by someone who had access either to death certificates and/or obituary notices. Some individuals do not have cemeteries listed either because the original lacked it or the data were not included in the obit.
